 - VMB: What do we mean by "participation?"

 - Collocated TF/LFN event
 - VMB: TF talks are just basic outreach, general part of what we do, no budget needed, should encourage for any/all events

 - Need outreach to other communities (k8s, etc)

 - VMB: Physical marketing == budget & mostly LFN focuses; digital marketing == no budget needed, can reach multiple communities
 - ML: Found LFN TF priorities slides

 - Not the final approved budget, that's in a different deck (per CCain)
 - CCain: That's a confidential deck
