Minutes

- Review action items from [2019-03-07 Meeting Notes](#)
 - Website is updates to reflect TSC
 - ccain working on collecting info about incentivizing participation
 - gdpr for volunteer info: may not be an issue if they have a way to opt out
 - Moving docs?
 - eting: Need more time
- Conversation about moving the repos
 - Totally stalled waiting for Codilime
 - Folks express disappointment for this
 - Repo move may be delayed by 5.1 release
 - Need to get Codilime ready to pull a trigger on that the moment 5.1 goes out
 - Randy will follow up on this repo thing
 - Get it handed over to Progmatic team (Alex et alios)
- CLA automation update
 - There is no update
 - VMB suggests a call to get an update from the folks who are doing the work
- Update from LF IT regarding community CI. (Sukhdev)
 - Infra meeting? Still weekly? Move it?
 - pono: updating wiki page for Infra WG: [Infrastructure Working Group](#)
- JIRA reboot
 - pono needs to reboot JIRA
 - Should be 30-60 minutes downtime
 - ...when to do this?
 - Receives guidance from ccain
 - Will send notification to dev@ and discuss@ mailing lists
- 2 JIRAs
 - tungsten & Contrail

- Are community tickets going into the Conrail JIRA?
 - Need to move this to the community JIRA
- pono: can just run an import
- rlb: It's Complicated™
 - Public tickets are currently jumbled in with private tickets (ugh)
- sukhdev: Training Juniper folks on where to put which tickets
 - vmb asks for her & rlb to be on those calls
 - vmb asks for conversations to happen on mailing lists
- Any other business?
 - Sukhdev: Gerrit & CI update?
 - gerrit.tungsten.io: Invited all Juniper folks to create accounts
 - Is this operational & ready to roll...?
 - pono: gerrit is fully functional
 - Sukhdev: Will a patch kick off any CI...?
 - pono: Zuul is doing the CI
 - Currently not hooked up to the gerrit
 - rlb: Pragmatic team is helping with this and will take over the Zuul
 - Internal Juniper gerrit...concern about duplication?
 - rlb: only is review.openconrail.org, and this will go away with gerrit.tungsten.io
 - CI ETA?
 - Asked for end of March but expecting it to slip a bit
 - Sukhdev: There's no longer any technical component to this call. Get it back?
 - Everyone's +1 to that.
 - VMB: TSC chair election reminder?
 - ccain sent a reminder to the TSC members directly
 - Nomination period ends the 18th, election (if needed) lasts 2 weeks
 - eting: Resigning as PTL for docs
 - Sent message to mailing list, but none of us have seen it yet
 - Will bump that thread & mail helpdesk about why his messages aren't being seen

Action items
