- Casey Cain Edward Ting Marc Rapoport @Lisa Caywood @Chitanya Kadiyala

## Agenda

- Review action items from [2019-05-17 Marketing Meeting](#)
- DH: LFN Newsletter update
- LC: Website audit update
- Schwag strategy
  - What purpose will our schwag serve? (see [this mailing list thread](#))
  - What schwag do we want?
- Technical Marketing Collateral (PPTs)
  - 5.1 updates?
- StackOverflow?
  - Track mentions of TF as a metric? (Current metric: zero)

## Minutes

Casey talked about the LFN Swag store and how it is used across other LFN Projects. Asked the MWG to provide suggestions for potential items.

- Socks
- YubiKeys
- Polos / T-Shirts
- Water bottles with handle

### Newsletter

RB believes that we have enough content for a weekly newsletter. Need confirmation from TSC, list of possible topics and SMEs to work with to develop content; publication vehicles to be discussed separately.

OpenContrail docs have been released. The team is working on TF 5.1 documentation.

TF MWG Needs to develop a marketing plan of record for 2019.

## Action items

- VM (Vicky) Brasseur (she/her) Put next week's agenda for Jill: ONS EU (asking her what we should anticipate for it from the LFN side, possibility of hackathon, etc), Ambassadors update, Yandex case study update
- Randy Bias Casey Cain to talk about the Newsletter at the next TSC.
- @Lisa Caywood to add Marketing Plan of Record to next Marketing call.
