

2019-04-30 Infra WG Meeting notes

Date

30 Apr 2019

Attendees

- [Daniel Pono Takamori](#)
- Andrey Pavlov
- [Darien Hirotsu](#)
- [Jakub Bielecki](#)
- [Krzysztof Wróbel](#)
- Alexandre Levin
- [Carlo Contavalli](#)
- [Sukhdev Kapur](#)

Agenda

- Resource quota for Vexxhost
- Update on parallel builds
- Github organization issues

Minutes

- pono: calculated quota and can now get a ticket with Vexx to lift quotas for
- pono: LF needs to be an owner of the Github org, so action item for contacting juniper
- alex: build almost ready on vexx
 - migration of gerrit/ repos
- pono: need documentation public
- carlo: trying to release docs to public
 - some cannot be made public 'cuz of secrets
- andrey: sent email to pono about quotas and resources
 - building against juniper gerrit since there aren't any real repos on gerrit.tungsten.io
- jakub: how to build against
 - andrey/ pono: once the CI system is up, we'll be able to link against gerrit.tungsten.io and then just waiting on the repo import
- jakub: concerns about all commits signed by CLA
 - because of the 'Signed-Off-By: '
 - squash commit to do transfer
- darien: build a devstack like instance
 - alex: tf devstack on progmatic labs

Action items

- ✓ Daniel Pono Takamori contact Juniper about github organization
- ✓ Daniel Pono Takamori figure out how to deal with having to revert on a squashed commit cc: jakub
