2019-06-27 Docs WG Meeting

Attendees

- Syed Ahmed (CloudOps)
- Fayaz Akhtar (GSoC)
- Gary (Redhat)
- Suprise entry: Casey Cain

Agenda

- GSoC project update
- ICLA & CCLA for Docs gerrit

Minutes

- GSoC Update
    - TF deployed with Contrail deployer working with small issues
    - Started writing documentation but there are other efforts which feel like duplication of effort
- ICLA & CCLA
    - The docs repo https://gerrit.tungsten.io/r/admin/repos/docs has automatic ICLA in place
    - For CCLA the manager for the community should whitelist the CloudOps domain

Action Items

- Syed Ahmed to add Gary to docs related to TF deployment & usage
