

# Test Coverage Plan

Initially, this page is for brainstorming how to increase test coverage for TF.

## Current state of TF Tests

### Tests that exist

- foo

### Tests known to be lacking

- foo

### Tests that are slow/otherwise need work

- foo

## Tests at community member companies

Does your company have TF-related tests that it uses internally and might potentially be able to share? Please summarize them here so we know what tests exist elsewhere and can potentially start the discussions to help move those tests into the community.
