

2018-10-09 Meeting notes

Date

09 Oct 2018

Attendees

- [Paul Carver](#)
- [Prabhjot Singh Sethi](#)
- [Gregory Elkinbard](#)

Goals

- No set agenda

Discussion items

- Discussion of Intel's OpenLab activities
 - Paul sent email to Heqing and Zhaoyen asking to make info public on mailing list and/or wiki
 - Paul noted that there's no status update on AT&T's open sourcing of Shaker tests yet, but hopefully the [AT&T Shaker test suite for Tungsten Fabric](#) could be part of the basis for the tests that the OpenLab will run
 - Discussion of what possible community contributions could be made
 - Hardware (E.g. a switch)
 - Fraction of a person to work on admin
 - Test cases

Action items
