- Pending Gerrit reviews
 - <https://gerrit.tungsten.io/r/q/project:docs-is:merged>
- RTD Update
- Update: Single RTD covering multiple repos
- Coming soon...? List of all services & the ports they use.
 - <https://jira.tungsten.io/browse/TFB-1493>

Minutes

- Action items
 - A couple pending for [Daniel Pono Takamori](#); he'll update when he can
- Gerrit reviews
 - VM: opencontrail repos are moving-ish! No need to mention any steps to support opencontrail in docs. DH will update patch #50 and get it to "good enough" state (can iterate later)
- RTD Update
 - Email from Pono to Pragmatic about getting RTD set up with Zuul
- Single RTD covering multiple repos
 - Possible & we're doing it the right way so far
 - We're on track! Woo!
- Coming soon
 - See the ticket linked above
 - DH: There's a similar doc w/o as much info; will dig up & compare

Action items

- ☑ Darien Hirotsu Work on TFB-1493
