- Start the Recording
- Antitrust Policy
- Agenda Bashing (Roll Call, Action Items (5 minutes)
- General Topics
  - Update on testing comparison between dpdk from upstream and contrail-dpdk
    - Continue the discussion on CI
  - discussion on Jira workflow for community
    - draft - https://docs.google.com/document/d/1UWIzZZOzTR8zZeTUOpV5pPzq1EcCPrS-F2GkYysOpR8/edit?usp=sharing
  - Blueprint review process
    - Older document: https://docs.google.com/document/d/1hYhaPmQEN4V4ZeLxruloIshnQ6yd05vNkcKqhRqCnIw/edit#heading=h.h3vxu6qloos

## Minutes

- Upsteaming DPDK
  - Decided to do this, but need to get some basic CI set up
  - Prabhjot Singh Sethi and Joseph Gasparakis will work on this soon (Prabhjot is at ONS EU right now)
  - VM (Vicky) Brasseur (she/her) suggests that Gary Greenberg would be good to help with this
- Jira workflow for community
  - Darien Hirotsu said there was a discussion in the docs meeting and will carry on the work then. Final review in the TF TSC level he'll be getting these docs into the repo
- Blueprint review process
  - Prabhjot will have it reviewed by next week
  - Anyone else…?
  - VMB: Suhkdev is working on something internally w/in Juniper; unsure what resemblance there is to that and this document?
    - JG: SK & folks were involved in creating this doc
    - VMB: But the process may have changed. Should confirm.
    - JG: Should make sure SK is on the next call

## Action items

- ☑ Joseph GasparakisPing Gary Greenbergabout helping with DPDK CI
