

2019-11-05 Infra WG Meeting

Date

05 Nov 2019

Attendees

- VM (Vicky) Brasseur (she/her)
- Daniel Pono Takamori
- Casey Cain

Agenda

- Start the Recording
- [Antitrust Policy](#)
- Agenda Bashing (Roll Call, Action Items (5 minutes)
- General Topics
 - Jira workflow

Minutes

- Jira/confluence voting module?
 - Casey found one that might allow us to do votes right in the Confluence pages
 - Gonna open a ticket to have Pono take a look at it
- Juniper folks were supposed to show up to this call
 - Not here; probably got befuddled by the time change (frequent befuddling this time of year)
 - Will be providing guidance on workflow
 - <https://gerrit.tungsten.io/r/c/docs/+50> a good starting point
 - Try to get this patch landed then use it as a basis for next week's call

Action items

- ✓ VM (Vicky) Brasseur (she/her) Remind Juniper folks about next week's call
- ✓ VM (Vicky) Brasseur (she/her) Poke people to land patch #50 (link above) before next Tuesday
