Minutes

- Casey submitted a ticket to review why we can't see details in a Jira Epic unless users have logged in
 - IT is working on it (In Progress)
- IT is also working on the issue for
- Casey is also working with IT today on the issue with submitting patches
- Vinayak is working on  Unable to locate Jira server for this macro. It may be due to Application Link configuration.
- Vinayak is on the mailing lists! 😊
- Casey submitted a message regarding GitHub versus Gerrit
 - DH: Do we have the resources to do this?
 - CC: Perhaps we have a conversation about what it would take
 - VI: Should we use Slack for discussions? There is a link (fourth bullet down towards the bottom) on the community website.
 - CC: Slack is useful for quick answers, but as a reminder, we aren't saving the full discussion history
 - DH: Also have a discussion for a new chat application
 - [Real Time Chat: Requirements and Candidates](#)
- DH: Sent a message about how to branch docs
 - Continue to discuss within the community

Action items

- ☑️ [Darren Hirotsu](#) Submit a patch to address the Slack link . The goal was to remove slack (I thought).
