Technical Meetings & Attendance

- Casey asks if we need to adjust the TWS, Infra and TSC calls.
 - Connectivity issues could be a concern for some
 - General meeting time seems to be ok?
 - Offered to create a mailing list that just sends reminders
 - General agreement
- Darien: We need to improve our content on the TWS meeting
 - Discuss more Blueprints
 - Needs to be a more open process
 - Shows people how to contribute
- Casey suggests trying to bring some of our development teams that are working in the background to work more directly in the community.
 - Sukhdev is working on this from the Juniper side.

Repo Migrations

- Repo migrations happening every week. Nearing completion.
- Working to finish the repo migration before focusing on committer permissions

Release Planning

- New content on the wiki for review and feedback
 - <https://wiki.tungsten.io/x/R4BdAQ>
- It has been broken down into sections for easier consumption
- The current proposal will be sent to the TSC for a vote after at least a 2 week review period.

Virtual Technical Event
