Minutes

- Updates from Daniel Pono Takamori
- Jenkins
    - Haven't added it yet
    - Getting familiar w/CI works
    - Need Andrey's help to put something together
    - Emailing w/Andrey on this
    - VMB asks communication be moved to public emails
    - Expects, after hearing back from Andrey & testing, to get job in place this week (today/tomorrow)
        - Will iterate after that
- Issues
    - Ran import script but ate a bunch of data
    - Running through it to confirm all open issues are correct

- Have ~20 more to be done and to check
- Will be done in ~hour
- VMB: Frustrating that this has taken so long
    - Was supposed to be done months ago
    - Have lost all momentum
    - Only updates have been on this call
    - No public conversations
    - Generally disappointed at how this is being handled
