Minutes

- Update from Pono - https://github.com/tungstenfabric/docs/issues/6
  - https://github.com/tungstenfabric/tf-jenkins/pull/2
    - PR for the Docs Jenkins job
    - Waiting for review
  - https://docs.github.com/en/github/writing-on-github/autolinked-references-and-urls#issues-and-pull-requests
    - Enforcement of issue ID requirement
    - No good bot for this already; would have to write our own
    - For now will enforce socially until there's a bot
    - Pono advises for update CONTRIBUTING.md to define an issue ID is required
    - Pono will email docs@ about this
- What's next for Docs?
  - Casey: Look for volunteers to lead docs
  - VMB: Please follow governance and have a vote, not simply have a volunteer leader
  - Nick: New here & want to help out; would like to actively contribute & support
  - VMB: Recommend revisiting the Docs MVP
  - Jared: Hoping to contribute, but not sure the scope of that yet
  - VMB: Jared & Nick could help immensely by going through existing docs & pointing out a bunch of flaws

Action items

- ☑ Daniel Pono Takamorisend email docs@ about best route for enforcement on linked issues in PRs
