

2020-03-19 Docs Project Meeting

Date

19 Mar 2020

Attendees

- [VM \(Vicky\) Brasseur \(she/her\)](#)
- [Casey Cain](#)
- [Armen Martirosyan](#)

Agenda

- Review action items from [2020-03-05 Docs Project Meeting](#)
- Review how the [2020-03-12 Docs Project Meeting](#) virtual meeting went
- Review [MVP Epic tickets](#)
- Virtual hackathon?

Minutes

- Action item review
 - No progress yet (CC's been sick); will look into it
- Reviewing how the virtual meeting went
 - Good idea, but didn't really get a lot of traction
 - Will probably try it again later, but not until we have more momentum with the group
 - LFN TAC also looking into virtual event template
- Epic review
 - Notes in the ticket(s)
- Virtual hackathon
 - Not making a ton of progress on the epic
 - Would it be better if we could find a block of time (4 hours or so) when everyone can "get together" (virtually) to work on stuff?
 - VMB will email docs@ to start the discussion

Action items

- ☑ Casey Cain Look into why Abirami's patch isn't linked on the Jira ticket: blocked URLTFB-1553 - How to review a patch in Gerrit [OPEN](#)
- ☑ Casey Cain to update Gerrit related tickets to recommend waiting for the Gerrit to GitHub TSC Resolution to be voted upon. 05 Mar 2020
