Release checklist

This is a checklist for documentation initiative. It's goal is to maintain high quality of documenting new features for each release and ensure that the rest of the documentation is up-to-date.

Mark the checkbox if the answer is a success or n/a.

Blueprint submission process

Does the blueprint...

- [ ] Contains a description of what kind of documentation will be written including:
    - [ ] API description with examples
    - [ ] CLI with examples
    - [ ] User manual with or without UI screenshots
- [ ] Contains a description of what existing parts of documentation will be changed
- [ ] JIRA ticket for tracking documentation of this feature is created.

Release process

- [ ] The documentation mentioned in the JIRA ticket is created
- [ ] Pull Request for adding the docs to tungstenfabric/docs is created and merged
- [ ] JIRA ticket is closed.
