## Agenda

- Start the Recording
- We will start by mentioning the project's Antitrust Policy, which you can find linked from the LF and project websites. The policy is important where multiple companies, including potential industry competitors, are participating in meetings. Please review and if you have any questions, please contact your company legal counsel. Members of the LF may contact Andrew Updegrave at the firm Gesmer Updegrave LLP, which provides legal counsel to the LF.
  - [Antitrust Policy](#)
- Agenda Bashing, Roll Call, Action Items (**5 Minutes**)
- General Topics
  - Governance proposal
  - Gerrit migration status
- Any Other Topics

## Minutes

### Governance Proposal

- Discussion about Casey's proposal for the Community-at-Large Coordinator role. The role was removed. Instead, Casey expanded the description of who, beyond Committers can have a seat at TSC.
- The idea of expanding TSC seats to 10 will be postponed until we will have more analytics about participation. But that will not happen before the Gerrit migration is done.
- Discussion about the Coordinator role.

### Gerrit Migration Status

- [DW Talton](#) talked about the steps necessary with migration to gerrit.tungsten.io.
- [DW Talton](#) and [Stephen Moore](#) will coordinate on access and migration date. Currently targeting before the end of November 2020.
