## Agenda

- Start the Recording
- We will start by mentioning the project's Antitrust Policy, which you can find linked from the LF and project websites. The policy is important where multiple companies, including potential industry competitors, are participating in meetings. Please review and if you have any questions, please contact your company legal counsel. Members of the LF may contact Andrew Updegrove at the firm Gesmer Updegrove LLP, which provides legal counsel to the LF.

## Minutes

### TSC Election

- Reminder that the self-nomination period ends on 04 Mar 2021.
- If you are interested in being a member of the TSC, submit your self-nomination here: [2021 TSC Election](#).

### Gerrit Permissions update [Casey Cain](#) [Chandra Dasari](#) [Vanessa Valderrama](#)

- Review the list of committer permissions here:
  - Discussion ensued around the process of populating the list of PTLs and committers.
  - [TF Provisional PTL & Committer approval](#)
  - List of initial PTLs and Committer approval will be locked on 04 Mar 2021
  - The TSC will then review and approve any changes that were not reflected in the prior approvals of PTLs and committers.
- A reminder that after the approval of this list, anyone that is not listed here will lose their committer rights..
  - New committers or committers that have failed to confirm their committer rights will need to go the committer promotion process.
  - i.e. Existing PTL/Committers on the repo will need to agree to add the committer, an email will need to be sent to the TSC and the TSC will need to vote to approve the committer rights.

### TAC Update

- The election for the LFN Governing Board Member Committers Representative (LGBMCR) will begin on 10 Mar 2021.
  - All committers will be eligible to self-nominate
  - More details on the mechanics and eligibility can be found here: <https://wiki.lfnetworking.org/x/AgliAQ>
- [2021 Whitepaper Workgroup](#) is forming. If you are interested in participating, please sign up at the provided link.
