Agenda

- Start the Recording
- We will start by mentioning the project's Antitrust Policy, which you can find linked from the LF and project websites. The policy is important where multiple companies, including potential industry competitors, are participating in meetings. Please review and if you have any questions, please contact your company legal counsel. Members of the LF may contact Andrew Updegrove at the firm Gesmer Updegrove LLP, which provides legal counsel to the LF.

Release artifacts

- Discussion around identifying the release build for TF.
  - Questions were raised around where the build jobs and logs are stored.
  - Community desire to ensure that builds are done from the /tf-builds repo.
- For the current situation, Community agrees to use images of open-source containers built by the Juniper build system
- For the future, we should work to get the situation that TF build system produces open-source container images which are in turn used by Juniper build system - to not create to separate images of the same open-source elements.
- TF Operator PTL was agreed - Szymon Krasuski was discussed and agreed
- TF Provisional PTL & Committer approval - agreed, list o initial commuters should be updated till Thursday (TSC meeting)

Election

- Casey reminded the community members on the call that the deadline to submit self-nominations to the TSC is 11 Mar 2021 .
