Agenda

- Start the Recording
- We will start by mentioning the project's Antitrust Policy, which you can find linked from the LF and project websites. The policy is important where multiple companies, including potential industry competitors, are participating in meetings. Please review and if you have any questions, please contact your company legal counsel. Members of the LF may contact Andrew Updegrove at the firm Gesmer Updegrove LLP, which provides legal counsel to the LF.
 - [Antitrust Policy](#)
- Agenda Bashing, Roll Call, Action Items
- General Topics
 - Repository PTL and Committer List
 - TSC Election
 - Release
- Any Other Topics

Minutes

Repository PTL and Committer List

- Vote to add Release Manager & Documentation manager to all repos did not pass.
- [Szymon Golebiewski](#) will update the committer list.

TSC Election

- Only 2 technical nominations and 4 community nominations.
- [Casey Cain](#) noted that we need to increase our community transparency before we will be able to attract new community engagement.

Release

- [Casey Cain](#) & [Marek Chwal](#) raised concerns about the community release process.
- There was a broad community discussion about how to improve the community transparency to the release process.
 - It was clear that the priority 0 issue is ensuring that release plans, bug fixing and code review is happening in the upstream TF community first.
 - Juniper asked to review it's internal policies and report back to the community next week.
