Agenda

- Release schedule for 5.0.2 and 5.1
- Release content review - blueprints in/out as far as on schedule for 5.1 release
- TSC Elections

Minutes

Sukhdev AI: To give an update on the SmartNIC patches

PaulC AI: To send an email out with the status that we think the BP for 5.1 release are.

We agree that we create a list of the eligible people for TSC voting by end of November. Sukhdev will send out his proposed list on the TSC mailing list and create a poll

ALL TSC VOTING MEMBERS: PLEASE VOTE ON SUKHDEV'S LIST ASAP, IF THE LIST DOES NOT GET ACCEPTED WE WILL BE SPENDING NEXT TC CALL IN ORDER TO REVIEW EACH PERSON AND VOTE DURING THE CALL
