2019-01-25 Meeting notes

Date

25 Jan 2019

Attendees

- David McBride , Alexandre Levine, Trevor Bramwell

Agenda

- Discuss status of TF integration with Apex installer.

Notes

- Alex says that the integration with Apex is proceeding slowly due to the extensive turnaround time for fixing issues and re-running the deployment (several hours).
- Alex asks whether there are alternatives that are more efficient.
- David and Trevor suggest that Alex consider the XCI project.
  - Alex says that he attended a presentation on XCI by Fatih at the OPNFV Plugfest, June, 2018 (Antipolis, FR).
  - Alex has Fatih's contact info.
- Trevor shared links to docs about onboarding and using XCI.
- Alex plans to look into XCI and will update David on progress.
- David asks Trevor about the availability of OPNFV PODs for Alex to use. Trevor says that no resources are available.

Action items

- ☑ Alex will update David periodically on integration progress
