2019-03-20 Docs WG Meeting

Attendees

- Anda Nicolae (Lenovo)
- Kieran Milne (Juniper)

Agenda

- Discuss Edward's resignation
- Discuss who will take the lead and manage the TF documentation
- Review action items from 2019-03-06 Docs WG Meeting
- Membership status (who've you approached to join the group?)
- Issue tracking preferences & location for documentation

Minutes

- We couldn't decide anything because we need to discuss these changes with more people.

Action Items

Backlogged Action Items

- ???: Get rid of community-docs repo (it's superfluous) do this after all of the repos are moved
- Current locations of all documentation: Defer until after the infra move is complete
- Current CI/CD status of documentation: Defer until after the infra move is complete
- Patch approval criteria for docs: Defer until the TSC confirms the process for code.
